

NIN CHOCOLATE

## A LOVE STORY THAT FULL OF HAPPINESS: “CHASING THE LEGENDARY TASTE”

We don't need to speak same language in order to understand each other. We are under the same sun, the same winds licking our skins...

We can't sleep while moon is growing, when the sun is rising we are falling into the dreams...

It doesn't differentiate us just because we are seeing different dreams while sleeping at the same night...

It doesn't matter what time you wake up, because we are waking up to the same mornings...

Whenever, where, whoever we are, we are all human.

However, anywhere in the world; if we are have tastes full of passion, love, ambition, that makes us different ...

My story first began in the Black Sea, where is the homeland of the nuts and I consider to be the most precious pearl of the world and dreaming of mythical tastes that people will feel happy about, and then it continued in the Ankara to started with a chasing for it.

Almost at every night sleeping into the dreams, I did wake up every morning in a different place...

Sometimes under the cocoa trees of Ghana and Ecuador; sometimes in the Niksar, Gazi Antep, Malatya or in Aydın, between the smells of walnuts, peanuts, hazelnut, fig and apricot...

In every breath that I take, smell of the coffee spread to the world, and then Ankara and Anatolia was smelling milk... My heart waved with Anatolia where is hometown of unique tastes and from Rize to Black Sea, Everyday and every moment of mine passed by searching the best. The best masters, the highest technology, where the most natural products are hidden, the mystery, the pursuit of everything

that creates that flavor and smell, that I was looking for...

I was working very hard and longing for “The One Drop of Happiness” that I was searching and going to the gift for humanity...

I was on the road for my story, but, I have seen, my family, my children, my employees, my masters, and gourmes of mine just like me everybody was trailing that taste...

Passion, happiness, ambition filled love story has become “Our Story”.

Our Story is belong to, those who is pursuing the happiness, the stakeholders, distributors, dealers of our and ofcourse who is feeling the taste in their palates, so it is “Story of All of Us”.

So far I’ve been telling you “Road Story” that a traveler who pursues legendary tastes, and NIN is a Turkish flaggedd admiral ship which is sailed in the open water to become a world brand...

My deepest regards

**Zafer HACIOSMANOĞLU**  
Chairman of the Board

## ABOUT US

### THE DESTINY OF TASTE, CENTER OF TECHNOLOGY

NIN Chocolate Industry Domestic and Foreign Trade Co. has established a modern laboratory infrastructure in which all kinds of physical, chemical and microbiological analyzes can affect food safety in the Ankara Anatolia Organized Industrial Area which can also compete with the most modern chocolate factories of the Europe and Turkey. This facility of NIN Chocolate contains machine park and 8000 m2 facility, chocolate production lines, specialty chocolate production lines, dragee production area, industrial products and boutique products production areas. Our facility also has international quality and food safety standards certifications for food safety. By continuously improving in line with Search & Development and quality objectives; It aims to be sensitive to customer demands which are among the leading companies in the sector.
